Statement of Claim: October 17th 2023 I was arrested by the Philadelphia Police Department and on January 17th 2025 I was indicted by the F.B.I. , both cases were involving weapons which is a violation of my 2nd amendment which states " A well regulated Militia, being necessary to the security of a free state, the right of the people to keep and bear arms , shall not be infringed." In short, the second Amendment states that as an American citizen , you have the individual right to arm yourself. The amendment firmly establishes that the government cannot infringe on that right. Also its a violation of my 1st amendment rights which states ' Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech , or of the press; or the right of the people peaceably to assemble, and to petition the government for a redress of grievances. It is a protection of freedom of speech, religion , the press, and making complaints and requests to the government. And inside the Quran surah 4 verse 102 it states " And when you are among them and lead them in prayer, let a group of them stand in prayer with you and let them carry their arms. And when they have prostrated, let them be in position behind you and have the other group come forward which has not yet prayed and let them pray with you, taking precaution and carrying their arms. Those who disbelieve wish that you would neglect your weapons and your baggage so they could come down upon you in a single attack. But there is no blame upon you , if you are troubled by rain or are ill, for putting down your arms, but take precaution. Indeed, Allah has prepared for the disbelievers a humiliating punishment." Which is proof it's apart of my religion to carry weapons. Also in the Quran surah 51 verse 58 it states "Verily, Allah is the all provider , Owner of power , the most strong. Which is proof that Allah is my provider and everything I have and get is from Allah. Another proof is surah 4 verse 78 it states "wherever you may be, death will overtake you , even if you should be within towers of lofty construction. But if good comes to them, they say, this is from Allah "; and if evil befalls them, they say this from you." Say "All things are from Allah." So what is the matter with those people that they can hardly understand any statement? Which is proof that everything I had and get is from Allah and its a violation of my constitutional rights to be arrested for what Allah gave me and its a violation of my constitutional rights to be under investigation or watched by the F.B.I. or the police when everything I get is from Allah and how I make my wealth and live my life. I've been under investigation by the F.B.I. and been placed on GPS monitoring and they wanna know all my business which is a constitutional tort and a violation of my constitutional rights to practice my religion.

IV. Injuries:

If you sustained injuries related to the events alleged above, describe them and state what medical treatment, if any, you required and received. _____

State what you want the Court to do for you and the amount of monetary compensation, if any, you are seeking, and the basis for such compensation.

I want the Court to Order The F.B.I. and All the Authorities such as Philadelphia Police department, ETC, to not investigate me anymore or bring any charges upon me AND to Drop All ~~the~~ current charges because its A CRIME 18 USC. 241 CONSPIRACY AGAINST RIGHTS to violate my 1st AND 2nd Amendment AND A constitutional Tort AND im suing for \$3 million Dollars
